News for the family and friends of the Bob Lawhorn Education Fund

Hello to All!

We would like to thank all of you so much for the time, effort and resources that you have contributed over the past 5 years towards the annual Bob Lawhorn Memorial Golf Event. Together, we have established a very solid foundation to ensure that our dear friend Bobby's passionate spirit of giving and respect for education will continue in perpetuity. Through your collective efforts, we have five students attending the University of Cincinnati. It is very possible that these students may not have had the opportunity otherwise. We are excited that one of these students will be graduating very soon.

After five unbelievable years of this incredible event, our committee and Bob's family have elected to take a year off in 2010. Therefore, we will not be having our annual golf outing this year. It is our intention that we will continue this tradition in the future and details will be forthcoming.

We do encourage everyone, however, to keep Bobby in your hearts by playing golf with good friends and enjoying life on the day that the tournament would normally take place. He certainly enthusiastically pursued those two things. While no organized plans are in place, we (Kevin and Tim) along with Lew Ann, plan to spend the day at Beckett Ridge and if anyone else can join us, that'd be great!

Again, thank you so much for your support and congratulations on being part of such a great cause in the name of our good friend.

Kevin Barney and Tim Kelly, Co-Chairs

A Message from Lew Ann ~

OK...so I've meant to send an annual newsletter to keep you all up-to-date on the progress of the Bob Lawhorn Education Fund. But, time slips away and before I realize it, it's time for another golf outing!

But this year is different. After 5 extremely successful golf outings, the golf committee has decided to forego this year's outing and, instead, take this time off to re-evaluate golf outing efforts for the future.

I've said it before, but want to restate it again. I, along with the golf committee and the scholarship committee, am so grateful for your participation each year. There seem to be charitable golf outings every day, yet you have remained dedicated to this one. And, while we are grateful that the Bob Lawhorn Education Fund continues to grow and we have been able to award full scholarships each year since the first outing, we are humbled and touched by your continued love and remembrance of Bob.

That being said, our initial goal was to fund Bob's scholarship so that it would carry on into perpetuity. I look forward to my descendants and, hopefully, some of yours, joining the scholarship committee and selecting a recipient for a full scholarship to UC.

The scholarship fund remains approximately \$200,000 shy of being fully endowed. So this year we are setting our sights on a 'finishing what we started' campaign. I'd like this to be the final year that we solicit your charitable dollars for this extremely worthwhile, and so close to our hearts, cause.

If you could find it in your hearts to make one final gift as you have so generously done in the past, we are confident that we can have this fund fully endowed by the end of 2010, the year marking the 5-year anniversary of Bob's death. In fact, we have a benefactor willing to match each gift to ensure our success! Exceeding our goal will also enable our golf committee to have a head start on a celebratory event to mark our success both at fully funding the scholarship, and ensuring that the memory of our friend and family member, Bob Lawhorn, is kept alive forever.

Our golf outing tag line (with full credit to Kevin Barney) has always been "still giving." With your help, we can make it happen!

Look for the Bob Lawhorn Scholarship Classic to be back next year when we, once again, spend a day enjoying Bob's favorite pastime and celebrating the life of Bob Lawhorn and our good fortune at having known him.

Love, Lew Ann

A Message from the Scholarship Committee ~

We wish you could all be members of the scholarship committee that selects a Norwood High School student for the opportunity to pursue a college degree at University of Cincinnati paid for by a full tuition scholarship. Over the past five years, the scholarship committee has met many wonderful young men and women from Norwood High School. The committee's job is a hard one, with so many deserving applicants. But it is so rewarding to know that we are all making a difference in someone's life by ensuring that they have the opportunity for a college education.

The 5 award recipients have each written a note to you to thank you for their opportunity. The scholarship committee is as proud of them as if they were our own family. We hope you are too.

Most sincerely,

The Bob Lawhorn Education Fund Scholarship Committee

A Message in Their Own Words

Bill Fahnestock 2006 Scholarship Recipient

I am currently finishing up my final quarters this year at the University of Cincinnati. I will be graduating by the end of this year with a bachelor's degree in Marketing. I have enjoyed both my stay at U.C., and the hospitality provided by the Lawhorn family. I am greatly appreciative of this scholarship, and what it has done for me. Without it, college may not have been a definite possibility simply due to its cost. Receiving the scholarship and continuing my education was definitely a blessing, and I look forward to completing my undergraduate studies at the University of Cincinnati.

Hello everyone. I would like to take this opportunity to thank you for supporting the Bob Lawhorn Education Fund. With all of your help, I have finally made it to my senior year in college and will receive my bachelor's degree in June 2011. After graduating I plan on going to law school, although I am not completely certain where I will attend. Attending the University of Cincinnati has been a wonderful experience so far and I am thankful everyday for the opportunity. I sincerely thank every one of you for contributing to the Education fund and I can't wait to see everyone at the next golf outing.

Michael Bush 2008 Scholarship Recipient

Dear Friends, Since the time I received your generous gift many things have changed in my life. I have learned that a large part of college is self discovery and in this I have changed majors to environmental studies. I am very enthusiastic about this new course of study. I feel that I will be able to be a positive and contributing member of society. I will be using this to improve our environment and increase our overall quality of life. As of this summer though I have been enjoying a rewarding job working at the Norwood Y.M.C.A. as a day camp counselor. This has been the best job of my life and I enjoyed it thoroughly. It was amazing getting to change the lives of so many children and in turn they have changed my life also. I would just like to thank everyone for making my life so much better and also providing me with a clear path to a rewarding future. Thank you, Michael Bush

Jennifer Schlueter 2009 Scholarship Recipient

Receiving this scholarship has done great things for me. Because of the Bob Lawhorn scholarship, I am really enjoying college at The University of Cincinnati - Raymond Walters College! The teachers have been awesome. I have met great friends, class sizes have been just right, I am getting great grades, and I have learned so many different things in the various classes! I am so excited about becoming a Veterinary Technician here at UC, I wouldn't want to be anywhere else. :) I am thankful each and every day for the Lawhorn family.

Brandon Addis 2010 Scholarship Recipient

I am forever grateful to the Lawhorn family. Receiving the scholarship is an honor, knowing that it is in memory of a marvelous individual, and loving family and friends. With the generosity of the Lawhorn family I will be able to fulfill a lifelong goal of attending college, a dream which is now reality. They have touched me and my family and reminded us the power behind kind gestures. It is my will to carry on these morals and values as I begin a life with a head start, because of these good people.
