

Julia Ellen Burnett

Memorial Golf Outing

April 21, 2006, we welcomed our beautiful daughter, Julia Ellen into the world. She was born with Trisomy 18, a chromosomal anomaly that is incompatible with life; the doctors told us that she may not live through the day. Imagine our joy and surprise when God gave us 6 precious days with our sweet, baby girl! She was baptized and met her family. She received lots of hugs & kisses, snuggles & smiles before angels gently carried her home to Heaven.

Though her life on earth was short, she made a tremendous impact on the hearts of our family and friends. Our hope is that the Julia Ellen Burnett Scholarship Fund will positively impact the lives of area students each year. Your generosity will help our daughter's memory live on. Thank you! ~Tim & Stephany
